

Certification

This is to certify that the metering equipment identified as:

LK1210DRa-120

manufactured by:

LSIS – LS Industrial Systems

has successfully passed the DLMS/COSEM Conformance test.

The test has been performed on both the RS 232 port and the optical port.

The version of the List of standardised OBIS codes used is V2.3.

The test has been performed by:

Central Power Research Institute, India

on the date of:

28th December 2005

The authenticity of the test report has been verified by the DLMS User Association and the metering equipment identified above is listed on its web site at: <http://www.dlms.com>.

With this, the manufacturer is entitled to display the DLMS/COSEM Compliant mark - shown below - on its product duly identified and on its product literature.

A copy of the test report is filed by the DLMS UA. Copies are available from the manufacturer.
